

## Education

---

### Rochester Institute of Technology

Rochester, NY  
Human-Centered Computing  
GPA: 3.11 / 4.0  
August 2021

### Nanzan University / IES Abroad

Nagoya, Aichi, JP  
5-Month Study Abroad  
May 2019

## Skills

---

Figma  
InVision  
Adobe Creative Suite  
  
Wireframing  
Prototyping  
User Research  
Usability Testing  
  
HTML5  
JavaScript  
CSS3  
Git  
  
Japanese (~ N3)

## Experience

---

### User Experience Co-op/Intern

LenelS2

Pittsford, NY, USA

June 2021 - December 2021

As part of a small team, help design experiences and conduct user testing for company's flagship products.

### Front-End Developer Intern

Tamago-DB

Shinagawa, Tokyo, JP

June 2019 - August 2019

Refactored charts originally configured using a legacy Google Charts library with a more modern C3.js library.

- Used Laragon as a local deployment environment
- Tweaked design in a Symfony 3 codebase using:
  - HTML/CSS
  - JavaScript

## Projects

---

### Rochester Community Foundation Website

Designed and developed a website for the Rochester Community Foundation in a team of 3 designers, 1 Front-end developer, 1 System Administrator and 1 Database engineer.

### Mutter Museum Hertyll Skull Collection Interface

Through an iterative process using wireframes and user flow diagrams, designed an interactive display interface through Figma for the Hertyll Skull Collection at the Mutter Museum in Philadelphia.

### Magic The Gathering Vending Machine Prototype

In a team of two, worked through an iterative design process using sketches, a user flow diagram, and wireframes, designed a prototype for a Magic The Gathering Trading Card vending machine in Figma.
