

## Education

---

### **Rochester Institute of Technology**

Rochester, NY  
Human-Centered Computing  
GPA: 3.11 / 4.0  
August 2021

### **Nanzan University / IES Abroad**

Nagoya, Aichi, JP  
5-Month Study Abroad  
May 2019

## Skills

---

Figma

InVision

Adobe Creative Suite

Wireframing

Prototyping

User Research

Usability Testing

HTML5

JavaScript

CSS3

Git

Japanese (~ N3)

English (Native)

## Experience

---

### **User Experience Co-op/Intern**

Pittsford, NY, USA

LenelS2

June 2021 - December 2021

As part of a small team, help design experiences and conduct user testing for company's flagship products.

### **Front-End Developer Intern**

Shinagawa, Tokyo, JP

Tamago-DB

June 2019 - August 2019

Refactored charts originally configured using a legacy Google Charts library with a more modern C3.js library.

- Used Laragon as a local deployment environment
- Tweaked design in a Symfony 3 codebase using:
  - HTML/CSS
  - JavaScript

## Projects

---

### **Rochester Community Foundation Website**

Designed and developed a website for the Rochester Community Foundation in a team of 3 designers, 1 Front-end developer, 1 System Administrator and 1 Database engineer.

### **Mutter Museum Hertyll Skull Collection Interface**

Through an iterative process using wireframes and user flow diagrams, designed an interactive display interface through Figma for the Hertyll Skull Collection at the Mutter Museum in Philadelphia.

### **Magic The Gathering Vending Machine Prototype**

In a team of two, worked through an iterative design process using sketches, a user flow diagram, and wireframes, designed a prototype for a Magic The Gathering Trading Card vending machine in Figma.
